SUMMARY

Adaptable and detail-oriented individual with proven programming skills, including a first-place win in a college coding competition. Seeking an entry-level position in a collaborative environment where I can contribute to team success and further develop my technical abilities.

TECHNICAL SKILLS

- Programming and problem solving
- Data Structures in Java
- OOPs in Java
- Basics of Python, C
- Basics of HTML, CSS, JavaScript, React

PROJECTS

Chatbot: Natural Language Processing Question Answering for Building Conversational Agents

Feb 2024 – Apr 2024

Natural Language Processing

Python, NLTK

- Developed a chatbot using NLP to answer questions and engage in conversation
- Implemented natural language understanding for intent recognition.
- Developed a dialogue management system.

Basic Snake Game

May 2024 – Jul 2024

Data Structures

Python, Tkinter

- Created a classic snake game using data structures in Python
- Implemented game logic using appropriate data structures
- Designed the game interface

Web Development Mini-Projects

Oct 2024 – Oct 2024

Frontend based

HTML, CSS, JavaScript, React

- Developed several mini web applications, including a weather app, an e-commerce webpage, a stopwatch, and a tic-tac-toe game
- Built a weather application using (Used APIs)
- Created a responsive e-commerce webpage with React
- Developed a stopwatch and a tic-tac-toe game using web technologies

INTERNSHIPS

- Prodigy Web Development internship (With LOR)
- Python developer Intern
- BLACKBUCKS AIML internship

EDUCATION

Ramachandra College of Engineering (Present)

B.Tech in Cyber Security (CSE) - 75%

Eluru

Dec 2021 – Apr 2025

Sri Chaitanya Junior College

Intermediate in MPC - 96%

Eluru

Jun 2019 – Jul 2021

Amalodbhavi ST Mary's E.M High School

Secondary School of Education - 95%

Eluru

Mar 2019

CERTIFICATIONS

- Infosys Springboard Cyber Security and Applied Ethical Hacking
- Accenture Software Engineering Job Simulation
- Great Learning Java Programming
- Hacker Rank Python (Basic)
- Hacker Rank Java (Basic)
